About Us:
We're a not-for-private-profit social enterprise food business which helps build more sustainable local food systems which are better for society and our environment.
We currently run a large grocery store at 349 Victoria Road on the south-side of Glasgow, a cafe in Garnethill, grow fruit and vegetables across four sites in and around Glasgow, and provide veg boxes to around 1500 households per week.
We also help new growers get started through our Grow the Growers programme and help those facing food poverty through our Good Food Fund.

About this role:
We’re looking for an additional seasonal grower to assist and support our existing team at our organic market garden through the busiest time of the year. You’ll get involved with all aspects of the day to day running of our small farm which at peak season means lots of harvesting, transplanting of crops, and weeding.

Skills & attributes we seek include:
- The ideal candidate would have experience of doing a similar role.
- Fast and efficient with manual tasks such as weeding, transplanting and harvesting.
- Able to work well as part of a team and independently. Great time
management skills (early starts will be required!), and ability to use your own initiative.

- Fit and healthy to meet the demands of this physical role.
- Fine with getting soaked in a cold windy field and tolerating the occasional ray of sunshine, as well as potentially high temperatures in the summer months.
- A full clean driving licence would be very useful.

**How to apply:**
The closing date is 8am on Thursday the 18th of March

Please submit a CV (maximum 2 pages) along with a cover email outlining why you want to work with us and what you think you could bring to the team in terms of experience, skills and ideas.

Applications should be by email to recruitment@glasgowlocavore.org and the subject heading should be 'Application – Seasonal Grower'.

Thanks for your interest!
