About this role and what we're looking for:

We're looking for an additional cook to join our kitchen team. You will work as part of a small, flat structured team to produce food for our organic locally sourced cafe and also produce food for sale in our shop and deli.

Experience of working in a similar environment is advantageous and buying into our mission and ethos is a must.

Working in Glasgows only fully organic cafe with an emphasis on the local means you will need to be a very versatile cook who will be happy to work with the ingredients that are available.

Right now our café offering takes form of a choice of salads and pastries, soup, sandwiches, and a daily special. We have only been open a few months so there is opportunities to shape and change this over time and try out new ideas with the rest of the team.

Recently we have been dabbling into in house production of jams and preserves for sale in the shop. If you have an interest and experience in producing preserves, bakery items or other food that could be sold fresh or frozen we would encourage that.

How to apply:

The closing date is 8am on Monday the 25th of June.

Please submit a CV (maximum 2 pages) along with a one page cover letter outlining why you want to work with us and what you think you could bring to the team in terms of experience, skills and ideas.

Applications should be by email to recruitment@glasgowlocavore.org and the subject heading should be 'Application - cook'.

Thanks for your interest!
